The flavour that transforms your break!

READY IN
5
MINUTES

KETTLE

1 Shake the container, remove the lid, and pour boiling water up to the fill line.

2 Mix very well and close the lid.

3 Wait 5 minutes, stir again, and enjoy!

MICROWAVE

1 Shake the container, remove the lid, pour cold water up to the fill line, and stir well.

2 Heat in the microwave for 1 minute at 1000W, stir again, and heat for another 80 seconds.

3 Stir once more, wait 1 minute, and enjoy!
